Change

Adds new emotion

New things always bring thrill to daily routines. It is the same with interior spaces. It is more fun to find new things from familiarity rather than having the same interior design all the time. Prepare a new change for the plain space with a Natural Surface that satisfies your taste and includes the charm of new material.

Harmony

Harmonizes with nature

If you have ever thought of the question, “Can I create a space that becomes more beautiful as time passes by?”, wood is the answer for that question. Thus, Smart Coverings film reinterpreted and variously designed the wood which is the most familiar material to us in a new point of view and suggested everlasting beauty and value to your life space.
